VivoCare stands for:

- Western care know-how combined with Thai life and care attitude
- Person-centered-care based on the findings of Dr. Tom Kitwood adapted to local conditions
- Swiss managed and owned
- Only 100% qualified caregivers working
- Registered nurses on site
- Fair and affordable costs with a maximum cost ceiling = budget security
- Fixed monthly rates regardless of dementia type or severity
- No deposit & no minimum contract period
- Termination protection – Guarantee to stay - regardless of the guest's state of health

** The VIVOfamily care package provides 24-hour monitoring and support and also includes a certain number of hours of direct care per day. A 1:1 night care surcharge is applied only if requested by the family, despite not being medically or care-related necessary, and amounts to USD 650 per month. If night care is medically or care-related necessary, it is fully covered by the standard monthly fee. If you have any further questions, please contact our nursing service management.
